6-16-101. Short title. This article shall be known and may be cited as the "Colorado Charitable Solicitations Act".

6-16-102. Legislative declaration. The general assembly hereby finds that fraudulent charitable solicitations are a widespread practice in this state that results in millions of dollars of losses to contributors and legitimate charities each year. Legitimate charities are harmed by such fraud because the money available for contributions continually is being siphoned off by fraudulent charities, and the goodwill and confidence of contributors continually is being undermined by the practices of unscrupulous solicitors. The general assembly further finds that legitimate charities provide many public benefits and that charitable donations are a direct result of public trust in charities. The general assembly therefore finds that the provisions of this article, including those involving pertinent information to be filed in a timely manner by charitable organizations and disclosures to be made by paid solicitors, are necessary to protect the public's interest in making informed choices as to which charitable causes should be supported. Furthermore, these provisions are intended to help the secretary of state investigate allegations of wrongdoing in charities, without having a chilling effect on donors who wish to give anonymously or requiring public disclosure of confidential information about charities.

6-16-103. Definitions. As used in this article, unless the context otherwise requires:

- (1) "Charitable organization" means any person who is or holds himself out to be established for any benevolent, educational, philanthropic, humane, scientific, patriotic, social welfare or advocacy, public health, environmental conservation, civic, or other eleemosynary purpose, any person who operates for the benefit of the objectives of law enforcement officers, firefighters, other persons who protect the public safety, or veterans, or any person who in any manner employs a charitable appeal or an appeal which suggests that there is a charitable purpose as the basis for any solicitation. "Charitable organization" does not include the department of revenue collecting voluntary contributions for organ and tissue donations under the provisions of sections 42-2-107 (4) (b) (V) and 42-2-118 (1) (a) (II), C.R.S.
- (2) "Charitable purpose" means any benevolent, educational, philanthropic, humane, scientific, patriotic, social welfare or advocacy, public health, environmental conservation, civic, or other eleemosynary purpose, any objective of law enforcement officers, firefighters, other persons who protect the public safety, or veterans, or any objective of sponsoring the free or subsidized attendance of persons at any event.

(3) "Charitable sales promotion" means an advertising or sales campaign which is conducted by a commercial coventurer and which represents that the purchase or use of goods or services offered by the commercial coventurer will benefit, in whole or in part, a charitable organization or purpose.

(4) "Commercial coventurer" means a person who, for profit, is regularly and primarily engaged in trade or commerce other than in connection with soliciting for charitable organizations or purposes and who conducts a charitable sales promotion.

(5) "Contribution" means the grant, promise, or pledge of money, credit, property, financial assistance, or any other thing of value in response to a solicitation.

"Contribution" does not include voluntary contributions for organ and tissue donations under the provisions of sections 42-2-107 (4) (b) (V) and 42-2-118 (1) (a) (II), C.R.S., and bona fide fees, dues, or assessments paid by members of a charitable organization if membership is not conferred primarily as consideration for making a contribution in response to a solicitation.

(6) Repealed.

(7) "Paid solicitor" means a person who, for monetary compensation, performs any service in which contributions will be solicited in this state by such compensated person or by any compensated person he or she employs, procures, or engages, directly or indirectly, to solicit for contributions. The following persons are not "paid solicitors":

(a) A person whose sole responsibility is to print or mail fund-raising literature;

For purposes of this paragraph (d), such a determination letter shall not have retroactive effect.

(e) Any employee of the department of revenue collecting voluntary contributions for organ and tissue donations under sections 42-2-107 (4) (b) (V) and 42-2-118 (1)

(a) (II), C.R.S.;

(a) Any oral or written request; or.

(b) Any sale or attempted sale of or any offer to sell any advertisement, advertising space, book, card, tag, coupon, device, magazine, membership, merchandise, subscription, flower, ticket, candy, cookies, or other tangible item in which any appeal is made for any charitable organization or purpose, or for which the name of any charitable organization is used or referred to in any such appeal as an inducement or reason for making any such sale, or for which any statement is made that the proceeds or any portion thereof from such sale will be used for any charitable purpose or will benefit any charitable organization. A "solicitation" shall

be deemed to have taken place whether or not the person making the "solicitation" receives any contribution.

Each chapter, branch, or affiliate of a charitable organization that is required to file a registration statement under this section either shall file a separate registration statement or shall report the necessary information to its parent charitable organization, which then shall file a consolidated registration statement.

(2) The registration statement must be signed and sworn to under oath by an officer of the charitable organization, which may include its chief fiscal officer, and must contain the following information:

(a) The name of the charitable organization, the purpose for which it is organized, and the name or names under which it intends to solicit contributions;

(b) The address and telephone number of the principal place of business of the charitable organization and the address and telephone number of any offices in this state, or, if the charitable organization does not maintain an office in this state, the name, address, and telephone number of the person that has custody of its financial records;

If, at the time of the initial registration, the charitable organization does not have the required financial report or form 990 for the most recent fiscal year, the charitable organization shall submit a financial report or form 990 for the most recent fiscal year in which such information is available. An organization that was first legally established within the past year and thus does not have financial information or a form 990 for its most recent fiscal year shall provide to the secretary of state a financial report based on good faith estimates for its current fiscal year on a form prescribed by the secretary of state. Any organization that files a good faith estimate for its first fiscal year shall amend its initial registration statement to report actual financial information on or before the earlier of the fifteenth day of the eighth month after the close of the organization's first fiscal year or the date authorized for filing a form 990 with the internal revenue service.
 - (g) The names and addresses of any paid solicitors, professional fundraising consultants, and commercial coventurers who are acting or have agreed to act on behalf of the charitable organization. If the paid solicitor, professional fundraising consultant, or commercial coventurer is a partnership, corporation, limited liability company, or other legal entity, the charitable organization shall list only the name and address of the legal entity.
- (3) The secretary of state may promulgate rules concerning the acceptance of a uniform multistate registration statement, such as a unified registration statement, in lieu of the registration statement described in subsection (2) of this section. As soon as practicable, the secretary of state shall take steps to cooperate in a joint state and federal electronic filing project involving state charity offices and the internal revenue service to enable and promote electronic filing of uniform multistate registration statements and federal annual information returns.
- (4) The registration of a charitable organization shall be amended annually, on forms prescribed by the secretary of state, to reflect any changes of name, address, principals, corporate forms, tax status, and any other changes that materially affect the identity or business of the charitable organization. Annual amendments shall be filed at the same time as and together with any financial report required in

subsection (5) of this section regardless of when the charitable organization filed its initial registration pursuant to subsection (1) of this section.

(5) Every charitable organization required to register under this section shall annually file with the secretary of state a financial report for the most recent fiscal year on a form prescribed by the secretary of state, or, in the discretion of the secretary of state, a copy of the charitable organization's federal form 990, with all schedules except schedules of donors, for the most recent fiscal year. The financial report must be filed on or before the earlier of the fifteenth day of the eighth calendar month after the close of each fiscal year in which the charitable organization solicited in this state or the date authorized for filing a form 990 with the internal revenue service. A charitable organization that is unable to file a copy of its form 990 return or the secretary of state's financial form by the prescribed deadline may request an extension of the filing deadline from the secretary of state. The secretary of state, upon receipt of an application to extend the filing deadline, may grant a three-month extension of time to file the financial report. All such requests must be in a form prescribed by the secretary of state and must include a statement describing in detail the reasons causing the delay in filing the financial report and an affirmation that the charitable organization has filed with the internal revenue service an application for a corresponding extension of time to file the organization's form 990. Upon request, the charitable organization shall provide the secretary of state with a copy of its application for extension of time to file with the internal revenue service in order to verify the date authorized for filing its form 990 with the internal revenue service.

(6) The following are not required to file a registration statement:

- (a) Persons that are exempt from filing a federal annual information return pursuant to 26 U.S.C. sec. 6033 (a) (3) (A) (i), (a) (3) (A) (iii), or (a) (3) (C) (i) or pursuant to 26 CFR 1.6033-2 (g) (1) (i) to (g) (1) (iv) or (g) (1) (vii);

The exemption authorized in this paragraph (c) shall not apply to a charitable organization that has contracted with a paid solicitor to solicit contributions in this state for the organization.

All such fees collected shall be deposited in the department of state cash fund created in section 24-21-104 (3) (b), C.R.S.

(8) The secretary of state shall examine each registration to determine whether the applicable requirements of this section are satisfied. The secretary of state shall issue each approved applicant a registration number.

(9) No charitable organization that is required to register under this chapter shall, prior to registration, solicit contributions in this state by any means, have contributions solicited in this state on its behalf by any other person or entity, or participate in a charitable sales promotion.
